

WHAT ARE COOKIES?

Cookies are simple 'text files' that are placed on your computer by websites that you visit. Typically, they contain two pieces of information: a site name and unique user ID which can be used to recognise your computer when a user of your computer returns to a website that it visited previously. They are widely used in order to make websites work, or work better, as well as to provide information to the owners of the site.

HOW DOES BEHÇET'S UK USE COOKIES?

We use cookies to enhance the online experience of our visitors, to better understand how our websites are used and to monitor how our campaigns perform. For example, cookies may tell us whether you have visited our site before or whether you are a new visitor.

PLEASE NOTE: As cookies are intended to enhance or enable the usability and processes of our website, preventing or deleting cookies may prevent our users from using the features on our website, or cause the website to perform differently in your browser from what it is designed to perform.

YOUR RIGHTS

Our cookies do not store financial information or information which is capable of directly identifying you (such as your name or address). You have the right to choose whether to accept these cookies. You can exercise this right by amending or setting the controls on your browser to reflect your cookie preferences. However, please note that if you choose to refuse cookies you may not be able to use the full functionality of our website.

CHANGING YOUR COOKIE PREFERENCES

The "Help" menu in the toolbar of most web browsers will tell you how to change your browser's cookie settings, including how to have the browser notify you when you receive a new cookie, and how to disable cookies altogether.

PLEASE NOTE: As cookies are intended to enhance or enable the usability and processes of our website, preventing or deleting cookies may prevent our users from using the features on our website, or cause the website to perform differently in your browser from what it is designed to perform.

Turn off anonymous Google Analytics cookies

You can install Google Analytics browser "plug in" to prevent the website sending information about your visit to Google Analytics. For further information, please visit: www.google.com/analytics/learn/privacy

THIRD PARTY COOKIES SET BY BEHÇET'S UK

Google Analytics

Google Analytics is a web analytics service provided by Google inc. The software will save a cookie on your computer, track and monitor where you visit on the website, what you click on and how long you stay. We use this information to better understand how the website is performing and to help in planning future campaigns.

The cookie will not store, save or collect personal information.

WP Cerber

WP Cerber is an essential WordPress security solution which defends websites against hacker attacks, spam, and malware.

The cookie will not store, save or collect personal information.

COOKIES SET BY THIRD PARTIES

If you click on a hyperlink from our website to any third party websites (e.g. if you 'share' content from our website with friends or colleagues on social media), you may be sent cookies from these third party websites. They will do so pursuant to their own policies on privacy and cookies. It's a good idea to check their privacy policies to fully understand their use of cookies. We do not control the setting of these cookies, so we suggest you check the third party website for more information about their cookies and how to manage them.

ADDITIONAL INFORMATION

Further information about cookies and how to control their use is available from these external links:
